Plainfield EID Merger FAQ –

1. *Why an EID?*

- A. *Employee Retention and Attraction: More than 50% of the employees in the District commute to Plainfield, with the majority coming from Indianapolis.*

2. *What is the budget?*

- A. *The combined EID will generate nearly \$475,000. The vast majority of these funds provide sustainable funding for the Plainfield Connector buses. The remaining budget goes for Employee Attraction Marketing, Identification of Company Needs, and Management.*

3. *How much is my assessment?*

- A. *There are a couple of ways for you to determine your EID assessment. The rate of the EID is \$.00034. On the Kelley and Associates website dedicated to the EID Merger, you can access your parcel(s) within the District by clicking on the Check Your Parcel(s) AV button. Simply add your real estate and facility Assessment into the calculator (no commas) and your EID assessment will self-calculate. Or, simply contact Kelley & Associates via phone or email and we'll provide you the estimated assessment. It has been estimated that overall, the total EID assessments amount to just over .01 per square foot of properties.*
